Sturminster Newton Orchestra – Summer Concert Party

We would like to say a sincere "thank you" to the villagers of Hinton St Mary who attended our recent Summer Concert at "The Exchange".

The feedback we received about the varied selection of the music (and the performance) was extremely complementary and so encouraging.

The repertoire included pieces by Haydn, Gilbert & Sullivan, Vaughan Williams and even Quincy Jones (... and more) not bad in one hour!

You will be pleased to know that, together with your own donations, we raised £450 towards the "Mosaic" charity (confusingly the same name as this publication).

Our conductor, Katy Ashman, as part of her leaving speech, remarked how SNO is so unique amongst community orchestras in that all the proceeds are passed to charities.

We are constantly overwhelmed at the generosity of our audiences and over the past few years the total sum raised is now measured in many thousands of pounds, directly supporting locally based good causes such as "Home Start", "Mind", the Stour View Centre etc.

Our next concert will be near Christmas (now there's a chilling thought) and we will, of course, keep you posted through these pages.

Many thanks again!

The Future of the Hinton St Mary Mosaic

Following last month's article by Rev David Dunning concerning current display arrangements a meeting, attended by twenty seven villagers, the Mayor of Sturminster Newton and Chairman of the Trustees of the Exchange was held in the Village Hall. David Dunning advised the meeting that there were no plans for any part of the Mosaic to be displayed at the British Museum in the foreseeable future and it would remain in their stores until further notice. Dorset County Museum was offered the Mosaic in an attempt to return it to the county but the offer was rejected due to lack of space.

David felt that, as villagers had not been consulted about the decision, they should at least be made aware of it and, if possible, to have some input in where the Mosaic should be displayed in the future. A lively discussion ensued between the attendees about the possibilities for its return and barriers that were likely to be put up by the BM.

It was agreed that it was impracticable to return the Mosaic to HSM, due to the lack of infrastructure and the impact of large numbers of tourists on the village. There was, however, support for it to be housed somewhere in Sturminster Newton, which would certainly help to regenerate economic prosperity to the town. It was accepted that opening up discussions with the BM and other interested parties was the first step in the process.

Chris Hardiman agreed to act as the village representative on the Sturminster Newton Working Party set up to explore the town's regeneration. There was general agreement amongst the attendees of the great possibilities for the return of the Mosaic to be the catalyst for the regeneration of the whole area of North Dorset, which would include a focus on the literary and historical aspects and its beautiful countryside.

... to the Editors

I understand that the Parish Council is looking into funding and purchasing a Speed Indicator Device (SIDS).

As we all know many vehicles speed through the village every day. just recently there have been a spate of accidents. Perhaps if an indicator was installed, at the time, these could have been avoided. I thoroughly endorse the Parish Council's proactive stance on this and hope we can all get involved with any fund raising efforts.

With the new and more inclusive Village show. Perhaps we should all make a real effort to encourage family and friends to attend. The extra revenue would boost the profits , some of which could contribute to the SID.

Mark Wheeler

We are against HSM funding and maintaining this system as it is police matter which should be funded by them or the local authority – as is the case in Shillingstone.

As the SID is an advisory measure only, the worst offenders will simply ignore it.

Hinton Recipe – Hinton Fruitcake (... for nuts)

You'll need the following:

- 1 cup of water
- 1 cup of sugar
- 4 large brown eggs
- 2 cups of dried fruit
- 1 teaspoon of salt
- 1 cup of brown sugar
- Lemon juice
- 1 cup of nuts
- 1 bottle of whisky.

Sample the whisky to check for quality.

Take a large bowl. Check the whisky again. To be sure it's the highest quality, pour one level cup and drink. Repeat. Turn on the electric mixer, beat one cup of butter in a large fluffy bowl. Add one teaspoon of sugar and beat again.

Make sure the whisky is still okay. Cry another tup. Turn off the mixer. Beat two leggs and add to the bowl and chuck in the cup of dried fruit. Mix on the tuner. If the fired fruit gets stuck in the beaters, pry it loose with a drowscriver.

Sample the whisky to check for tonsistency. Next, sift two cups of salt. Or something. Who cares? Check the whisky. Now sift the lemon juice and strain your nuts. Add one table. Spoon. Of sugar or something. Whatever you can find.

Grease the oven. Turn the cake tin to 350 degrees. Don't forget to beat off the turner. Throw the bowl out of the window. Check the whisky again and go to bed.

Forthcoming Talk

David Dunning has invited everyone to the forthcoming talk by Julian Richards presenter of the BBC2 success Meet the Ancestors to be held at the Exchange on Thursday 27th September 2018 at 7.30 pm. He felt that with his connections in the heritage field, he could be a very influential supporter for this campaign. Tickets were priced at from £9.00, obtainable from the Exchange, Sturminster Newton.

A more detailed summary of the Meeting is available upon request to **Shane Johnstone** (474670 or johnstone.ytc@btinternet.com)

Appointment of New Vicar the Rev. Philippa Sargent

In early July the Bishop of Sherborne announced that Rev. Philippa Sargent had been appointed Vicar of Sturminster Newton, Hinton St. Mary and Lydlinch and Priest in Charge of Marnhull. These arrangements continue the pattern currently operating.

The recruitment process started in April and those who interviewed Philippa were unanimous that she is just the person needed to take the Benefice forward. Philippa is currently Assistant Curate of Kempsey and Severn Stoke With Croome d'Abitot in the Diocese of Worcester. Consequently she has a good understanding of the life and needs of people in country parishes. She trained for ordination at Ripon College, Cuddesdon, and prior to that, for 22 years was an officer in the Royal Navy, during which time, and somewhat unusually, she was stationed in Afghanistan. She specialised in Adult Education and Safeguarding.

She already has close family connections with the area and plans that her ministry here will very much focus on young families, pastoral care and community involvement. It is expected that her licensing will take place in early October and until then, for the remainder of the interregnum, the pattern of services currently running smoothly will continue.

3) '**Decorate a Cup Cake**' - let your imagination run wild and decorate a cup cake (one entry per child) with anything you like. There is only one stipulation, that the cupcake once decorated must be able to stand upright unaided by any supports.

This category should be brought to the Tithe Barn between 1.30 and 2.0 p.m. on Saturday the 3rd November.

The sections of the Children's Art Competition will be judged with two age groups up to 10 years of age and 11-16 years.

Handicrafts and Photography Competition

Get your crochet hooks out, your knitting and sewing needles ready and your camera fully charged and think what other skills you have that could display your "crafty" talent.

- A crocheted or knitted item.
- A photo taken in Dorset.
- Any other craft item.

Handicrafts and Photography will be judged in three age groups: up to 10 years of age, 11-16 and adult.

Village Show

On Friday evening last (20th) we received an e-mail from the third member of the Village Show Team informing us that they were withdrawing from organizing and participating in the Show.

Anthea and I discussed the feasibility of either trying to cover their commitment on the day in running some of the core activities or reducing the scope of the Show. We concluded that, within the short timescale available, it would be physically and logistically impossible for the two of us to do so. We have both been very upset by this and have, in the circumstances, therefore decided that we have no other option but to cancel the Show for this year.

We know that this will come as a bitter disappointment, not only to some in the village who were looking forward to a fun day and the potential of raising funds for good causes within the village, but to the small band of people who have spent time and effort in organizing activities or pledging practical support on the day. To all those we express our sincere appreciation and great regret.

However, as you will see from the following article there will be a new and exciting opportunity for all the Art and Craft entries to be exhibited later this year.

The Village Art Competition

Sunday 4th November in The Tithe Barn
11.00am - 1.00pm

The Village Art Competition will now take place on Sunday 4th November. We will combine it with the Fund Raising Coffee Morning for The Village Christmas Party - this is a little earlier than normal so as not to delay the Art Competition any more than necessary. It will be held in the Tithe Barn rather than the Village Hall so that we have more space to display items to their full potential.

As well as the previously planned Art Competition from The Village Show, Handicrafts and Photography will also be included - so please keep painting, knitting, snapping your photographs and planning the designs of your cup-cakes etc. etc. and despite the disappointment of The Village Show having to be cancelled this year, let's try and make Sunday 4th November a special day by celebrating the wide variety of 'arty crafty' talents in our village as well as making a very early start on the preparations for our Christmas Party!

The Childrens' Art Competition (1)& (2) are being sponsored by The Arts Society Blackmore Vale who have kindly donated Gift Vouchers as Prizes.

All the competitions will also be open to family and friends of HSM residents who may not live in Hinton but may wish to enter an item (the same rule was to apply to the Village Show) so they too can come and enjoy the morning with us on November 4th.

The full list of all the different categories follows this article, and further updates and reminders will be published in the September and October issues of The Mosaic. An Entry Form is printed on the rear cover, but if you need extra ones (or in a larger format!) please contact either Anthea or Jill.

...that these may be returned anytime from now 'til 21st October.

... there will be prizes, certificates and medals to be won !!

If you have any queries, please give either of us a call and we will do our best to help.

Many thanks.

Adult's Art Competition Classes

A piece of artwork in any medium and any size (within reason !!) for example, sketching, painting, collage, lino print, felt work etc. etc. which could fall under the heading of "**Dorset**".

Children's Art Competition Classes

1) 'A piece of artwork' of A4 size whether it be paper, card or whatever you like and once again, in any medium (drawing, painting, foil work, printing or collage using for example pasta, fabric or natural materials such as leaves, feathers, flowers etc. etc.) which could fall under the heading of "The Seasons".

The theme was originally "Summer" but as the competition date has been postponed to November, the new heading is "The Seasons"- so if you have already completed a piece of work it will not be wasted.

2) 'A Model' – your model can be made from anything :- boxes, clay, wire – anything you like, you choose. It can be a small or large, but please no bigger than 1m².

For these categories (1) & (2) large pieces of work should be brought to the Tithe Barn on Saturday 3rd November between 1.30 and 2.00pm, smaller pieces of work may be handed in to either Anthea or Jill between Friday 26th October and Friday 2nd November.
