Until a new vicar is appointed to the Benefice, we are fortunate to enjoy support from local 'semi-retired' clergy who ensure services are maintained.

However until a new vicar is appointed all queries relating to affairs relating to Church related support and services should be directed to the Church Wardens in the first instance.

## An Important Message from the Editors

We welcome all contributions (e.g. recipes, suggestions, letters or notices etc.) and have previously requested that these are submitted before the 20<sup>th</sup> of the month; this gives us the time to edit, produce and distribute "The Mosaic" so it can be delivered promptly before the first of the next month. However, as we so often receive articles or notices much later than this, it has proved very difficult to produce this little publication by our target date. This means there often is very short (or no!) notice for events taking place at the start of the new month.

We are bringing forward our cut-off submission date to the 15<sup>th</sup> of the month to address this problem. Please could we ask all 'event planners' to let us have the dates for inclusion in our "What's On – Dates for Your Diary" as soon as they are known, even if there is an article to be featured later.

## Hinton Recipe – Avocado Sauce / Dip

- 1 small or half large avocado
- 5 oz. soured cream (150 g)
- 1 tablespoon fresh lemon juice
- 1/2 clove garlic, crushed
- Salt and black pepper

Scrape avocado flesh into bowl.

Mash to a puree together with lemon juice, garlic and seasoning.

Combine with soured cream until you have smooth, pale green, creamy sauce.

Cover with cling film and chill in 'fridge.

Tip: bury avocado stone in the sauce which will help prevent discolouration.

## Graveyard Bench

The bench has been delivered and is safely stored in my garage.

The really good news is that Philip Curtis has offered to prepare the base and install the bench, free of charge as his contribution.

Thank you very much Philip, we are all very grateful.

## Hinton Mosaic - Public Meeting

**Village Hall 7:00 pm Tuesday 12th June.**

The 'original' Hinton Mosaic has been in the care of the British Museum for many years but, due to lack of space, is no longer available for public viewing.

Given its historic significance the Museum curators are willing to support any serious proposal to permanently preserve and display the Mosaic in Dorset. That the Dorchester Museum has declined to become custodians creates a potential opportunity for us in Hinton St Mary to perhaps 'bring the Mosaic home' and thus boost efforts to attract visitors to our local area.

This issue has already created a serious 'Stir' in Stur-Newton and English Heritage are likely to support it; however, clearly we in Hinton St Mary should also have the opportunity to express our interest.

The Rev., David Dunning, a retired teacher from Sherborne School and who regularly leads services in our village church, is leading this initiative. David has offered to host an informal public meeting where we can all share and exchange views about this at 7:00 pm on Tuesday 12th of June in the village hall. All are welcome to what should be a lively and interesting discussion.

## Village Show Updates

June is now already upon us and we are sure that the Summer will go like a flash. (though not with too much lightning or flooding, we hope!).

As we mentioned before, we are endeavouring to make the Village Show more inclusive and to encourage more entries and interest – particularly from children.

So, this year, not only are we reducing the number of classes but are opening up the invitations to enter to all family members (wherever they live) and friends of Hinton St. Mary.

Just to whet your appetites and to inspire you to start cultivating, creating, colouring or culturing, please take a look at the opportunities in the items following to share and show off (a little!) your skills and talents.

Whilst we are here, we would like to say a big 'thank-you' to all those who have already offered ideas and practical support nearer the day. These are all greatly appreciated.

## The Village Show Art Competitions

### Adult's Art Competition Classes

A piece of artwork in any medium, for example, sketching, painting, collage, lino print, felt work etc. etc. which could fall under the heading of "**Dorset**".

### Children's Art Competition Classes

1) '**A piece of artwork**' of A4 size whether it be paper, card or whatever you like and once again, in any medium (drawing, painting, foil work, printing or collage using for example pasta, fabric or natural materials such as leaves, feathers, flowers etc. etc.) which could fall under the heading of "**Summer**".

This category of the competition should be ready by Saturday August 25th.

2) '**Decorate a Cup Cake**' - let your imagination run wild and decorate a cup cake (one entry per child) with anything you like.

There is only one stipulation, that the cupcake once decorated must be able to stand upright unaided by any supports.

This category should be brought to the Village Hall (Cricket Pavilion) by 11.00 a.m. on Saturday 1st September.

3) This final category is something for children to do on the afternoon of the Village Show.....

'**A Garden on a Plate**' - where you can design a miniature garden on a plate using real flowers, twigs, leaves, moss, stones etc. plus any additional garden features such as a pond (perhaps made from foil or a small mirror), garden bench etc.

We will provide the plates and there will be a limited supply of extra materials that you may wish to use, but please bring your own flowers, leaves, twigs and other bits and bobs that you would like to use in your garden design.

The sections of the Children's Art Competition will be judged with two age groups up to 10 years of age and 11-16 years.

### Handicrafts and Photography Classes

We have tried to simplify this section of the Village Show and make the classes open to all this year.

So get your crochet hooks out, your knitting needles ready and your camera fully charged and think what other skills you have that could display your "crafty" talent.

- A crocheted or knitted item.
- A photo taken in Dorset.
- Any other craft item.

Handicrafts and Photography will be judged in three age groups: up to 10 years of age, 11-16 and adult.
