Sunday 23 <sup>rd</sup>	Holy Communion at St Peter's Modern Language

## Help!!

Our village church, St Peter's, is open throughout the year and, thanks to a dedicated group of volunteers, is always decorated with fresh flowers or greenery.

Sadly, but inevitably, the number of volunteers has steadily diminished over the years. In order to preserve this tradition we would really welcome new volunteers, not limited to church-goers, willing to give up a couple of hours just two or three times a year.

We are very informal and do not aspire to Chelsea Flower Show standards so experience is not an issue. As all volunteers work in pairs a friendly guiding hand is always readily available to those who would prefer it.

If you would like to help, please contact

**Gina on 01258 471 493.**

*(For full contact details for St Peter's please see other editions [Ed.s])*

## Hedgehog Friendly Hinton

Thank you all so much for the support you gave to the start of the project in 2019, it was wonderful to hear about our prickly visitors and I am so pleased that we are now considered as a Hedgehog Friendly Village.

The project will be continuing into 2020 so once again I am keen to hear of any sightings in the village. I can then add these to the map for comparison with last year's sightings. Hopefully we shall see them in the same places and fingers crossed in some new ones too!

The Dorset Mammal Group also keep records of road casualties, so if you see any on the roads around the village I would be interested in hearing about them too. If you could provide the date it was spotted and the location (preferably a grid reference but if not then a good enough description so I can find the grid reference) that would be great.

All sightings can be emailed to me at - [rebeccaconduit@aol.com](mailto:rebeccaconduit@aol.com)
