### St Peter's Services for July 2018

You are warmly invited to our Services routinely held at 10.00 am.

Until a new vicar is appointed to the Benefice, we are fortunate to enjoy support from local 'semi-retired' clergy who ensure services are maintained.

However until a new vicar is appointed all queries relating to affairs relating to Church related support and services should be directed to the Church Wardens in the first instance.

## Graveyard Bench and Memorial

The bench is installed, operational and awaiting sitters !!. Many thanks to all the generous people who contributed and special thanks to Philip Curtis for installing it.

## Commonwealth War Graves Commission

We have been told that, within the next year, a sign will be attached to the metal fence commemorating a war grave in our graveyard.

It is the grave of George Rose Topp, whose name is also on the war memorial in the Church.

He was the son of Herbert and Louisa Topp, who lived in Broadstone at the time of his death. He was a Private in the Queens Own Dorset Yeomanry.

He died on Saturday, July 10th, 1915, aged 23.

His headstone is a tall, well preserved cross, just on the far side of the big holly tree. His mother, Louisa, was buried in the same grave at a later date.

## Finally Back Home

After a very long spell in hospital, I am home and happy to say I have been for 4 weeks now. It is wonderful and so good to be here at last.

Chris, Anna and I have been very touched with the kindness and generosity everyone has shown, so we would like to say a huge thank you to you all, for all your cards, gifts and support. It's going to take a long time for me to recover completely (18 months to 2 years according to the consultant) but I look forward to getting out and about more as time goes by and seeing everybody again.

#### ... but Leaving

Most people living in Hinton St Mary agree, and it's true, that it is a very special village and certainly for me it has been a privilege to live here. The views, the spectacular countryside, walks by the Stour, the farming, the Avenue through the seasons... Christmas parties in the tithe barn. Never forgetting the laughs, risqué jokes, and fun that we have in the corner of the White Horse on a Friday night. However, Dorking in Surrey is not so very far away and I know I will be back to visit from time to time. If not before, I have to come at Christmas to collect my thrift money (Pat says).

Thanks to everyone for being such kind friends and neighbours, always ready to offer support through my sad and happy times over the last nine years. I will cherish my beautiful picture and keep your card on my new mantelpiece. The day before I left, Susie called in with a further gift of £35 of gardening vouchers, in addition to the picture. I was so touched by everyone's generosity; the very generous gift of garden vouchers is also greatly appreciated.

The move went smoothly, Stalbridge Removal Co were excellent and I think I'm going to like living in Dorking!

***Wishing you all good luck, health and happiness, Liz***

## Hinton Recipe – Raspberry Almond Shortcake

1 1/2 cups Self raising flour  
1/2 cup Sugar  
1 1/2 oz. Butter  
1 1/2 oz. Lard  
1 Egg  
1 teasp. Almond essence

Raspberry jam and/or fresh raspberries

Rub fat into flour. Add sugar. Beat egg and add with almond essence. Mix into stiff dough. Divide in half. Roll one half and place in buttered flan dish. Spread with jam and/or raspberries. Roll out second half and place on top. NOTE: dough will probably be crumbly because of rich mixture. Brush top with water and sprinkle with sugar. Bake at 170 degrees C for 30 to 45 minutes.

## Tell SID ?

The parish council have been investigating the possibility of installing a SID (speed indicator device) at the entrances to the village on the Marnhull Road.

These devices flash up the speed of a vehicle as it approaches. We would be purchasing one device to be moved between each end of the village.

The village would have to fund and administer the system.

Costs are in the region of £3,400. We are looking see if we could share it with Sturminster to reduce to cost.

Before committing we need to know:

- Can we raise the funds - please give me some ideas
- Most importantly if we have a Sid we would need a group of volunteers to commit to look after the Sid and move it from one end of the village to the other every six weeks. Who is willing to do this?

We all know people speed thought Hinton It is in everyone's interest to try and reduce this.

## Sturminster Newton Orchestra – Summer Concert Party

When was the last time you had the opportunity of hearing a full seventy-piece orchestra within walking distance of your home?

Why not forget the chores for a morning and join us on:

### Saturday 21<sup>st</sup> June at 10.45 a.m. at “The Exchange”

Not only is the **entrance free**, but you are cordially invited to join us for a complimentary glass of wine and some nibbles after the show. Doors open at 10.30 but the Exchange is open from 9.00 so you have plenty of time to grab a coffee before the performance. This will be a special performance as we will be saying “Adieu” to our present Musical Director and Conductor, Katy Ashman.

We will be performing a very eclectic range of music, including that from “South Pacific”, “Band of Brothers” and pieces from Haydn, Vaughan Williams and others.

We will be supporting the “Mosaic” charity (no connection to this publication) which supports bereaved children and families.

## Media Madness Week at Community Chest

Sturminster Newton’s Community Chest is coming up to its 3 month birthday and has a gift for its customers. Some of its shelves are groaning so it’s time to offer a great deal on books, CDs and DVDs. Come along from July 9th to 14th and mix and match 4 of these items for just £1.

Support for the lovely ‘shop for Sturminster’ grows daily. Manager Tracey Chick says “Customers come in and see the quality of the goods on offer and not only can’t resist a bargain but return to donate some pretty special items of their own. Because the profits go back into the town people want to be a part of it”

As well as clothes, toys, jewellery, paintings, books etc the Community Chest offers a free draw ticket with every purchase over £5. The idea is to share the love and support local traders so June’s prize is a big beautiful bouquet from next door neighbour, delightful Daisy Delbridge. Tracey says “We’d love everybody to keep the donations coming – all the usual, plus small pieces of furniture - and keep popping in to discover quality bargains. If you care about the town and have any time to spare, ask about volunteering opportunities”

***If you haven’t found Community Chest yet, it’s right in the centre of town opposite the museum, open 6 days a week. Find us on Facebook too!***
